

GRC100-M2-1-Discussion-Governance Risk and Compliance  
5 5 unread replies. 5 5 replies.

Description: Primary Discussion - Governance Risk and Compliance

Primary Task Response: Within the Discussion Board area, write 400–600 words that respond to the following question. Your response should be a substantive contribution to the discussion and provide a foundation for future discussions by your classmates. Be substantive and clear, and use examples to reinforce your ideas.

Review an article that focuses on the fundamentals of Governance Risk and Compliance. In addition to reviewing the article, discuss the organization's risk posture of the organization. Take this opportunity to describe and discuss the following points with regard to the organization's risk posture.

Article name, author, and publication information

Summary of the article

How can the article be applied in your day-to-day activities as it relates to privacy and information security?

How can the article apply to organizations strategy to protect its assets?

Describe any challenges that you see with the article. Do you agree with all of the information that was presented?

Responses to Other Students: Respond to at least 2 of your fellow classmates with a comprehensive reply about their post. Your response should be substantive and clear, and use examples to reinforce your ideas. To help you with your discussion, please consider the following questions:

What did you learn from your classmate's posting?

What additional questions do you have after reading the posting?

What clarification do you need regarding the posting?

What differences or similarities do you see between your posting and other classmates' postings?
